

Introduction for Dan Poynter

Dan Poynter is an author of more than **100** books, has been a publisher since **1969** and is a Certified Speaking Professional.

He travels more than **6,000 miles** (or 9,000 km) each week to share, inspire and empower writers, publishers and professional speakers through keynotes and seminars.

His **seminars** have been featured on *CNN*, his **books** have been pictured in *The Wall Street Journal* and his **story** has been told in *US News & World Report*.

A gadget freak and an early adopter, Dan has **field** tested every device available to the professional speaker and has wrung **maximum** value out of PowerPoint.

Today, he will share PowerPoint experiences of speakers from around the world.

It gives me great pleasure to introduce . . .
Dan Poynter.
